Thomas Carlyle and Political Economy: The ‘Dismal Science’ in Context*

It also shows how Carlyle won over some political economists, notably John Stuart Mill.

Saint

In 1832 the group led by charismatic Enfantin was brought to trial by the on charges of public indecency specifically in regards to Enfantin's beliefs and practices associated with free love. There were, of course, many Frenchmen who disagreed with these somber statements, but words like crisis, old age, decadence, corruption, degeneration, and catastrophe were on the lips of many commentators on the state of the nation and modern civilization.
