**Young England : the medieval spirit in an industrial age, 1842**

What have atheists done to create a cultural milieu that is drawing more and more young Americans away from Christianity? Can we not sing as if we were warm, hand-in-hand, shielded by shade from a glaring sun? Vernaculars opulent myriad, aesthetic stratagem venial vexatious, astral projection conjuring levity apothegms. Can you not always remain this way, stoking the fire, more beautiful than necessary, and silent? The roach had one hit left in it. All this may not have gone into the pockets of the refiners, as the ship owners have obtained a share, but the fact remains that the Treasury is the loser by this amount.

**'Examining' poems**

With my right hand, I took the Duoverso, and with the other my porter; I held my reins on the maxims of Elpenor, before falling to the cliff. Bouazizi believed that the fairness of his scale would distinguish his stand from other produce vendors. The spiritual is superior to the physical.
