Gate of Hell

There are numerous sketches of Battery Wagner and the armament present on given dates. The Union forces ultimately failed to take Charleston — and as with so many other such operations, the army blamed the navy and the navy the army. Gate of Hell

On July 10, 1863, Gillmore launched an assault that took the southern portion of Morris Island, but the Confederates held the northern part in force with Battery Wagner and Battery Gregg. Gillmore planned several diversions, including one on James Island, though his main attack would be against Morris Island in order to gain a good position to bombard Sumter.
