### A Lock of Hair, a Bite of Fruit: Sexual Economics in Goblin Market

As long as of course, we do not commit the same mistakes again. Will this fear be enough to stop her succumbing in order to save Laura? This adds weight to the idea that she is on some sort of substance.

### “Goblin Market,” the Rossetti’s, and Pre

Lizzie appears to be quite curt with the Goblins here.

### A Lock of Hair, a Bite of Fruit: Sexual Economics in Goblin Market

As is evident in her poetry, Christina had a passionate love for Christianity and she often used her works to explore both the nature of religion and her own relationship to the Lord. Laura is our Eve type figure in the poem.

### “Goblin Market,” the Rossetti’s, and Pre

I think that it represents her as carefree but also a little bit slapdash! On the contrary I found them to be really moving : Goblin Market itself was my favourite poem out of this collection and I can see why the Penguin chose to title the book after it. She also utilizes verbs such as to hug, kiss, squeeze and suck. Thus Lizzie has turned from tempted to temptress.

### Goblin market

Up until this point they have been charming and convincing but here they start to display a much nastier side. Laura begins to think about the fruit and theorize how good it must be How warm the wind must blow Through those fruit bushes. Of course, this is probably symbolic rather than being intended to be taken literally.
