### Free Online Spelling Games

In the third phase, you will type it from solely hearing it.

### 6th Grade Worksheets to Challenge Your Students!

Check out our for diagrams, capitalization, and punctuation. Consumable student spelling workbooks are also available.

### Take the Test

Say the word, spell it, and add the last two letters. There's a wacky board game and a package of waffles you don't want to eat! Start using FluentU on the website with your computer or tablet or, better yet.,

### Free Online Spelling Games for Kids

Then, spell out the word along the lines. Knowing how to spell correctly helps others understand you.
