My quest to read and learn about Christian history comes from a conviction that we are far too ignorant of research, wrestlings, and conclusions reached by our ancestors 50 years ago, much less 500-1500 years ago. The losers often paid with their blood; the early church had no qualms about executing heretics. Section VI reprints the battle between Pelagius and Augustine over human nature, sin, and grace.

Documents of the Christian Church by Henry Bettenson

The only downside to this book is that you often find yourself reading fragments and wondering if the context of both the writing and the *sitz im Leben* is doing you justice in interpreting the fragments.
