### Philosophy and economics

The enterprising self: A panacea for all or new fictitious social role for older adults? While it is possible to respond to such questions with real verbal definitions, the philosophical value of posing such questions actually aims at shifting entire perspectives as to the nature of the foundations of economics.

### The Concepts of Risk and Safety

© Anita Silvers 2000 Anita Silvers is Professor of Philosophy at San Francisco State University and is well known for her writings on philosophy and disability. Often they do this by testing commonplace views against counterexamples involving anomalous or uncommon kinds of cases, and

then by revising those views accordingly. Mellor, Adam Morton, Stephen Perry, Martin Peterson, Alan Ryan, Per Sandin, Cass R.
