This is the overarching theme that unites the works. And Jimmy had never made prints before. Employing many forms, from fragmented wall vases to bronze benches to pillow pitchers, she presents a delightful gathering of influences and traditions.

### Local Cloth, Inc

In and in the in and in France, in and the in , in. The Art of Tapestry of the Weaving of Meaning. In addition I teach eco printing at several venues and offer both private and public sessions.

### Upcoming Exhibitions — Artistry

She said fiber art combines two of her interests, woodwork and sewing, and it gives her the chance to spend time working outdoors.

### John C. Campbell Folk School Blog

I have not been sewing for a life time, yet I make nearly everything I wear. What is your favorite part of researching and writing? Roshan Ganu is a mixed media storyteller based in Minneapolis. Her work takes the elements of painting off the and into space, approaching the problem of the superposition, of layering in a painting form the point of view of the material itself — the painting's support, the canvas, the fabric or texture.
