Psychiatric Interviewing: The Art of Understanding : a Practical Guide for ...

To do so, the pages are filled with sample questions and examples of interviewing dialogue that bring to life methods for sensitively exploring difficult topics such as domestic violence, drug abuse, incest, antisocial behavior, and taking a sexual history as well as performing complex processes such as the mental status. Shea deftly integrates interviewing techniques from a variety of professional disciplines from psychiatry to clinical psychology, social work, and counseling providing a broad scope of theoretical foundation.

Psychiatric Interviewing, The Art of Understanding 3e by Shawn Shea

Psychiatric Interviewing: The Art of Understanding: A Practical Guide for Psychiatrists, Psychologists, Counselors, Social Workers, Nurses, and other Mental Health Professionals, 3 rd Edition tackles these problems head-on, providing flexible and practical solutions for gathering critical information while always attending to the concerns and unique needs of the patient. This 3 rd Edition has been revised and expanded including fascinating new chapters on topics such as wellness, motivational interviewing, cultural diversity and how to collaboratively talk with patients about their medications.

Psychiatric Interviewing

Online benefits include powerful searching, electronic bookmarking, and access by username and password from wherever you have Web access -- especially convenient for times when the print copy of your textbook is not where you are.

Psychiatric Interviewing: The Art of Understanding, 2nd Edition

The video illustrations of the book will always be available to them in the palm of their hands. Readers now also become viewers, acquiring the rare opportunity to see the author both illustrating specific interviewing techniques and subsequently discussing effective ways in which to employ them.

Psychiatric Interviewing: the Art of Understanding A Practical Guide for Psychiatrists, Psychologists, Counselors, Social Workers,

Nurses, and Other Mental Health Professionals by Shawn Christopher Shea

It is a book that captures the wonderment of our work and the soul of our mission. With time at a premium, today's clinicians must rapidly engage their patients while gathering an imposingly large amount of critical information.
