Financial Planning Basics

Description: When you experience certain special situations in your family, you may need help coping with the financial issues that arise.

Special Situation Definition

If the lawsuit is injury related, we can help you address the issues of budgeting and health care considerations, projecting the effects of inflation on the settlement to help make the money last long enough to take care of your needs. Our team will develop a plan for assisting you and discuss how to proceed at that time based on the special needs you may have. First is your opportunity to assign your Basic, Option A or Option B benefits to another person or persons.

Financial Planning for Special Situations

Unless there is a stable source of regular income, retirees are generally uncomfortable with significant portfolio fluctuations. Because you never know when disaster might strike.
