Try finding that on Amazon today! Love her book, *A Gift From the Sea*. The difficulty with big city environment is that if we select—and we must in order to live and breathe and work in such crowded conditions—we tend to select people like ourselves, a very monotonous diet. In a blend of complete sincerity and delicacy, so uniquely her own, Anne Morrow Lindbergh shares with the reader her awareness of the many frustrating elements we face today: the restlessness, the unending pressures and demands, the denial of leisure and silence, the threat to inner peace and integration, the uneasy balance of the opposites, man and woman.
