## 100 BLACK

It is illegal to feed bears in Maryland. Largely vegetarian, common foods include berries, cherries, other fruits, acorns, beechnuts, hickory nuts, insects, roots, grasses, reptiles, amphibians, and carrion. By the time of the American Civil War, more than 49% of African Americans in Maryland were free.

## Stories of Flight from Maryland: Slaveholders

In addition, the Archives has Indentures, Original for Anne Arundel, Caroline, Frederick, Queen Anne's, Talbot, and Washington counties and Baltimore City.

## Baltimore Sun

There is no index at all for the 1910 census and for 1870 we have an index for only Baltimore City and Baltimore and Anne Arundel counties.

## African Americans in Maryland

Mosby The American Bar Association reports that only 3 percent of the lawyers at large law firms are African American, and only 1. The roster also excludes residents of other states who fought in Maryland units.
