### RIS

So the reason for the choice of this topic is twofold: Firstly, to update and integrate the data about the structure and activities of Austrian foundations and, secondly, to obtain comparability with other countries in the course of participating at the multinational research project.

### Private purpose foundations: from a classic 'beneficiary principle' to modern legislative creativity?

Mit dem Verstehen wird das Wissen erweitert und gefestigt. Due to the complexity and the heterogenous structure of the foundation landscape, a random sample was not aimed at right from the beginning because, as already discussed, quantitative methods were not suitable CCS, Research Memo 2, p.

### Private purpose foundations: from a classic 'beneficiary principle' to modern legislative creativity?

First of all, the research method will be described and discussed in greater detail in section 3 which will encompass the arguments for the choice of the method as well as the sample, followed by the research procedure and analysis.
