### The Story Behind TIME's 'America Must Change' Cover

DST in most of the United States starts on the 2nd Sunday in March and ends on the 1st Sunday in November. As a result large areas of South America do not observe DST. Most of Mexico starts Daylight Saving Time on Sunday April 4, 2021 at 2:00 AM local time.

### Daylight Saving Time 2020 in the United States

Following the 1973 oil embargo, the US Congress extended the DST period to and , in an effort to save energy. His coverage of the television industry has appeared in TV Guide, the New York Daily News, the New York Times, Fortune, the Hollywood Reporter, Inside.

### Daylight Saving Time 2020 in the United States

Nuuk, Greenland ends Daylight Saving Time on Saturday October 30, 2021 at 11:00 PM local time. Such spectacular actions by nature in building continents are combined with the less noticeable processes of erosion and deposition that have gradually shaped and changed the face of the North American Continent and the entire planet throughout geologic time. In the same manner, geologists have recognized rocks that were once ancient beach deposits because most beaches are composed of well-sorted sand.

### How America Changed During Barack Obama's Presidency

Gun control has long been a partisan issue, with Democrats considerably more likely than Republicans to say it is more important to control gun ownership than protect gun rights.
