There is a book out there somewhere that comes from a specialized coffee product distributor that tells how to roast and mix a few different beans

to get the starbucks flavor and I am researching in that direction. If that weren't enough, she adds 40 recipes for delicious, internationally inspired treats both sweets and savories using coffee as a main ingredient. Covering the latest in the coffee craze, it includes dozens of recipes for every coffee drink imaginable, from the sternly efficient Espresso the rocket fuel of coffees to the indulgent Cappuccino Borgia Milkshake.
