Theology Thursdays

Syrmik, Paska and Church Ukrainian Easter celebrations are a beautiful melding of traditional Christian practices, folklore, and ancient pagan symbolism. Though street and postal surveys cannot be viewed as non-random, or statistically representative of the communities in which the surveys were conducted, Table AA1 below nevertheless provides some indication of representativeness.

European Easter Traditions

Families bring baskets of food and small gifts to cemeteries and leave them for their ancestors.

Sudan: Will the June 30th processions signal a coup d'etat?

The priest does the same, washing the feet of children in the congregation.

Cardinal Pell Leads Eucharistic Procession in Rome

Easter in Slovenia is definitely not vegetarian... The central culinary symbol for Slovenes for Easter is nevertheless the potica, a rolled yeast with various fillings, such as nuts, honey, poppyseed or almond. Tor Shein believes that the military component is aligned in its thinking, be it the army, the Rapid Support Forces, or the General Intelligence Service, indicating that these components always come to terms with each other.

Cardinal Pell Leads Eucharistic Procession in Rome

Back in the day, evil spirits and witches were believed to roam around the country, doing mischief on the Saturday before Easter.

Sudan: Will the June 30th processions signal a coup d'etat?

At 11, the captain knocks three times and a huge curtain is drawn to show the paso and to begin the procession. The whole structure is completely decorated with flowers, a job that takes the greater part of Good Friday morning.
