The Red Rag limited edition print range features British art in a carefully selected portfolio of art prints. Perhaps the most interesting exponent of Contemporary Realism is the figurative master 1922-2011 , whose powerful studies of the human body manage to convey both grittiness and love. Some of the most important innovations included an introduction to the new understanding of the human body and redefinition of the space.

## Contemporary Art and Paintings By British Contemporary Artists

She is primarily known for her video works which often push the boundaries of filmmaking as such and are soaked in conceptuality. Throughout the year Red Rag Contemporary Art Gallery exhibits some outstanding examples of contemporary art, paintings and sculptures from British

contemporary artists. Anselm Kiefer, Ave Maria, 2007.
