The pandemic, however, has amplified the importance of judgment and, correspondingly, increased the amount of time that boards are spending in deliberative discussions exploring different options and weighing competing considerations and perspectives. In the end, some boards decided to maintain the dividend. People want to shop from the convenience of their mobile phones or tab as well.

shut down of retail stores and challenges in supply chain management has made the situation intolerable for retail business owners to survive.

Kerajaan tidak boleh menunggu keadaan telah parah baru nak bertindak. It sees the current system of norms and the institutions that promote and enforce them as relics of an era in which the PRC was not a great power and had no say in the establishment and development of the institutions and norms. Over the summer, two implementing acts were written into law that outline a new method of reporting for recycling rates for municipal waste and packaging across the EU.
