Identifying indicators for monitoring and evaluation

The overall recommendation was that the DBE should retain the Programme as it is an effective policy instrument to address supply requirements of qualified teachers in areas of scarce skills and should be sustained by Government, along with the improvements recommended in the report. To be able to monitor progress, teachers and students should be able to answer these questions: What is the important learning? It is led by the United Nations Educational, Scientific and Cultural Organisation UNESCO , in partnership with governments, development agencies, civil society, non-governmental organisations and the media.

Indicators Selection Tool

Indicators are things that we can measure.
