Seretse Khama (July 1, 1921 — July 13, 1980), Botswanan politician, barrister

Ruth 3R , the British white wife of Bamangwato tribal chief Seretse Khama, w. Botswana's official language is English, but its national language -- spoken by most people in Botswana -- is the Tswana language, Setswana. In terms of corruption, Botswana is ranked 32 out of 182 countries by Transparency International, the highest-placed nation in Africa.

The â€œUnfortunate Marriageâ€ of Seretse Khama

However, when ordered by the British High Commission to replace Khama, the people refused to comply. The past, so far as we were concerned, was just a blank and nothing more. Under the provisions of the South Africa Act of 1909, the Union laid claim to the neighbouring tribal territories and, as the Secretary of State for Commonwealth Relations pointed out to the Cabinet in 1949, the 'demand for this transfer might become more insistent if we disregard the Union government's views'.

Seretse Khama

Botswana's Search for Autonomy in Southern Africa.

Entry into politics All those years of racial abuse and exile abroad helped turn Seretse into an icon of freedom and independence in not just Bechuanaland but also the entire continent. Meanwhile Ruth had become estranged from her father, who thoroughly disapproved of the relationship, and was informed by her employers that, in the event of her marriage, she must choose between a transfer to their New York office or redundancy.
