Explaining Botswana's Success: The Importance of Culture

In this manner, perhaps the reforms even could have been softened. Consequently, they were of the opinion that the real issue is the absence of institutions capable of tackling corruption. The cut and thrust of political debate in Parliament or in political campaigns was nothing new to those who had debated serious matters in kgotla , such as whether Seretse Khama should bring his white bride home to Serowe.

GDP in 2020 following the sharp decline in diamond exports. There are no simple solutions.

History of Botswana

In the October 2014 elections, the ruling BDP received less than 50 percent of the national vote for the first time since 1966.

Botswana

The original language group was Khoisian, spoken by both Khoe and San ethnic groups. Planning for the pula meant new legislation establishing a central bank, regulating commercial banks in Botswana, etc.
