### Dealing with Gender Issues in the Workplace

Women restaurant workers who rely on tips for their main source of income are twice as likely to experience sexual harassment. Employers also can't discriminate against employees and applicants based on their status as victims of domestic or sexual violence if they notify employers, or employers have actual knowledge, of this status.

### Workplace diversity: It's more than just a gender issue

Please email us at: A road map to gender equality Companies need a comprehensive plan. Law § 292 can aid, abet, incite, compel, or coerce unlawful discriminatory acts or try to do so.

### Gender Identity in the Workplace

Instead, interviewers should provide a fair and transparent salary range and ask applicants to position themselves within it. However, discrepancies between men and women — and some amount of discrimination — still exists. Additionally, it is critical that companies understand their particular pain points and tackle them directly.

### Gender Equal Leisure

Providing part-time workers with lower benefits or pay than comparable full-time workers is illegal in most other high-income economies. Women typically get pregnant in the middle of a career.

### Gender inequality in work

Between 2003 and 2008, fathers had on average 32 hours per week of free time; mothers had 31 hours.

### Chapter 6: Time in Work and Leisure, Patterns by Gender and Family Structure

For example, it may be that consumers view certain leisure activities as related clusters, and experience with one activity from within a cluster may

influence perceived satisfaction with other activities within that cluster Zinkhan and Wallendorf 1985. Women are less likely to be hired into manager-level jobs, and they are far less likely to be promoted into them—for every 100 men promoted to manager, 79 women are Exhibit 2. As their name suggests, microaggressions can seem small when dealt with one by one.
