Elements of the Law of Domestic Relations and of Employer and Employed

Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. In the application of the FLSA an employee, as distinguished from a person who is engaged in a business of his or her own, is one who, as a matter of economic reality, follows the usual path of an employee and is dependent on the business which he or she serves.

An employer must also, upon reasonable request, provide the salary scale for a position to an applicant for employment. The Act also has provisions which regulate the employment of minors under the age of eighteen, as well as requirements. Additionally, the Supreme Court has held that the time or mode of pay does not control the determination of employee status.
