I have translated some works of Kada Arimoto, but have not yet prepared them for publication. Her current research focus is on the relationship between Japanese prints and pilgrimage practices. Iwami kagura groups too make frequent trips to the town, cashing in on the tourist trade with abbreviated performances.

## Kinsei geinō bunkashi no kenkyū (Book, 1992) [public-docs.talentcoach.ir]

Thunberg provides important information not found elsewhere on the arrangements and financing. Even if you gave me more money, I would still decline and refuse to accept it. As disparate as the two areas seem, they continually replenish each other in my research.

## Littérature japonaise

Thunberg had a clear programme in the more discursive parts of the Travels. Many of his plants had been destroyed in a storm, which, most gallantly, had struck the four-vessel flotilla in which the Loo sailed, when almost home, in the English Channel. Martin's College in Washington State assistant professor.

## Literature

This is why the exploration of the reuse of woodblock commodities may help us better understand the transmission and circulation of knowledge mediated by new technologies. But Thunberg did not say so.

Only the latest contraptions could transport live tea bushes all the way to Europe. I'm ABD at the University of Chicago, working with Norma Field and William Sibley.

## Japan Extolled and Decried: Carl Peter Thunberg's Travels in Japan 1775

Suzuki Jun is Honorary Professor of the National Institute of Japanese Literature NIJL , Tokyo, having served as its deputy director. Thunberg felt no need to tarry.
