## **CECIL BALMOND (FRONTIERS OF ARCHITECTURE I) Louisiana Museum of Modern Art RARE**

Balmond's push for a new architectural order is the result of a 25-year quest to get beyond the structures we have been familiar with since the ancient Greeks established the rules of geometry and proportion that we have followed ever since.

### **They said it couldn't be done**

To open its Frontiers of Architecture series, Denmark's Louisiana Museum of Modern Art chose the engineer, innovative thinker and writer Cecil Balmond, honoring him with an exhibition of projects past, present and future. It is a 120m high sculpture designed for the 2012 Olympics in Stratford, London.
