The Zionist Ideas

Long before the movement achieved its great contemporary political success in the creation of the state of Israel, the question of the future quality and content of Jewish existence had already come to a conscious crystallization within Zionism in terms of these age-old ultimates.

As is immediately apparent, this reasoning is a reincarnation of Hess's theory. It acquired a kind of defiant hope that the new society they intended to build in Zion would take the lead in realizing the values that Russian and all other liberals and socialists merely talked about-and often betrayed. Niewyk, The Jews in Weimar Germany, Louisiana, p.

The Zionist Idea

His defensive schools of thought have found themselves coming to terms with ideas and social structures which were outrunning them, and the more messianic doctrines soon acquired a certain shrillness, for they inevitably assumed the unwanted role of keepers of the conscience of the main modern movements. This description fits that stream of Zionist thought which remained orthodox in religious outlook, and therefore limited its tinkering with the classical messianic conception of the Jewish religion to the question of means; but this thesis pretends to apply to the main body of the movement, and, as such, it is artificial and evasive. European Jews were dispersed and belonged unevenly to certain social layers in some places and to different ones in others.

Zionism and Israel on JSTOR

Journal Information For over 50 years, European Judaism has provided a voice for the postwar Jewish world in Europe. Without having become anti-Zionist, he nevertheless feels that the original principles of Zionism and the values of the declaration of independence have been betrayed and that Israel has been transformed into a colonial state led by a corrupt clique of outlaws.

It must be the basis of our educational work.

The Zionist Idea: A Historical Analysis and Reader by Arthur Hertzberg

It was published in the London Review of Books 28, no. The philosophical doctrines and political changes which created a new age for the Jew were all movements at the top of society, the cutting edge of its advance beyond the world that had been before.

The Zionist Ideas

True enough, the very term is not even to be found in the index of his collected essays, but it must be remembered that all of his published work appeared in journals that had to be approved by the Russian censor.
