Artists

The Italians are extroverts, and acutely conscious of what others think of them. From the early 1930s onwards Jabotinsky believed that the United Kingdom could no longer be trusted to advance the Zionist cause and that Italy, as a growing power capable of challenging Britain for dominance in the region, was a natural ally.

Spanish literature

No more eloquent witness could be called to prove the power of the spell cast over the present by the past than the fact that even before the introduction of printing to Italy in 1465 almost the full range of ancient Roman writers known today was available in reasonably 'clean' texts. These men were not humanists.

Italy

Their foundation is a massive base of squared blocks; above this is an elegant superstructure of 'brick' Milan ; 'The square shape of the city is strongly walled ; forty-eight towers gleam in the circuit, of which eight stand up taller than all the others' Verona.
