### Measure of association

We proposed at § 484. Another commenter suggested that the list should include the local Center for Independent Living, transportation broker, and housing authority. A commenter also highlighted the Chronic Disease Self-Management Program CDSMP based at Stanford University's School of Medicine and the Skills2Care program, which helps caregivers to manage the challenges of dementia in the home.

### Measure of association

States and HHAs are permitted to establish timeframes that meet their needs. The commenter stated that patients and caregivers may want to know the findings of any given assessment, rather than just the comprehensive assessment, which is performed at specified periods of time.

### Terms & Conditions

Terms and Conditions These conditions of use apply to all users of the Roofing Association New Zealand Inc. It is the HHA's responsibility to discuss the level of involvement that patients and their representatives want to have in the plan of care.

### Terms & Conditions

The commenter stated that, in addition to our original description, it is also an interpreter's role to facilitate two-way communication, so that the patient can describe changes in his or her condition or experience of care, ask questions, and articulate preferences and concerns.
