## Tintern Cistercian Abbey

Numerous attacks on the county's Railways by anti-Treaty I. The major impact of any commission of support from King Charles I for the Irish rebellion was that it drew in the support of many leading land owners and leaders who would traditionally have been strongly royalist. Dudley Colclough, Uppon consideration had of the within petition of Dudley Colclough, and of the certificates there unto annexed, it is thought fit that it be referred to Lieut.

## seal

It was founded for the Franciscans c. It was in this village that a group of Benedictine monks from the monastery of Molesme founded Cîteaux Abbey in 1098, with the goal of following more closely the Rule of Saint Benedict. The well-built drain had a paved floor and was covered with vaulting or lintels.

## Archaeology of the Cistercian Monastery in Ireland

From that point on, the Vikings made their greatest impact on Ireland as traders and merchants from their port towns of Dublin, Wexford, Waterford, Cork 62 D. This thesis uses the historical and archaeological record to examine the progress of that sub-infeudation and to identify factors which contributed to contrasting regional variations. There are the remains of a kelp-house at the southern end see photograph at top.

## colclough hub: 2018

The is the present holder's only son, the Hon Luke Henry White.

## Tintern

By 1305 there were twenty-five communities across Ireland, and between 1385 and 1507 the order expanded further with the foundation of ten houses, mainly in the west of Ireland. Most of the glass vessels are wine bottles of the earlier globular and squat types, dating to the period c.

### **Tintern Abbey, County Wexford**

It was being used by Lord Castlehaven as a defensive base during his attacks on Youghal at one stage during the rebellion. The original settlers ie invaders were the Spanish and they set up a string of Missions between 1769 and 1833.
