Combating racism both in and out of school therefore increases the chances of overcoming issues of racism

## Federal Lawsuits Say Antiracism and Critical Race Theory in Schools Violate Constitution

Equity: Equity is when people — again, in this case, students — receive the supports and resources they need in order to be successful, even if that means people receive different levels of resources. More: Trauma-informed care: Trauma-informed care in education seeks to recognize signs of childhood trauma or adverse experiences in students to better help them.

## Racism and Antiracism in Real Schools

More: Anti-racism: Anti-racism is the practice of actively countering racism. It will be highly relevant to researchers and students working in the areas of Education and Sociology, particularly those with an interest in antiracism methodologies. The voices of teachers and school students bring the issues to life, and illustrate the daily problems of life in urban schools.
