Volume 1 printed as Eveline: The Amorous Exploits of a Lady of Fashion, Brandon House, 1968. They're young and horny and these eager school girls are cutting up the only way they know how. Howard and his niece Gladys find themselves a new victim, Miss Bostock, who has supposedly committed murder.

đÝY‡ VoyeurPapy

Caroline is a randy piece and gives Harry everything he wants and more. LENA was also published by Taurus Books in 1968 under the pseudonym A. There was only one quick solution — fill out the range by republishing work from other publishers disguised with new titles and authors.

đÝY‡ VoyeurPapy

Another genuine Victorian novel originally published as *Gynecocracy*, a supposedly autobiographical novel attributed to Stanislas Matthew de Rhodès.

Subtitled *The Education of a Victorian Gentleman* this is an autobiographical tale of the sexual adventures of a member of the English peerage, supposedly found in manuscript after his death. Not really pornographic in the modern sense, but still a classic of the genre. Sexual adventures of Mary, Liza, Anna and unnamed male narrator, including bestiality, lesbianism and flagellation.

The Grove Press Victorian Library

This has no connection whatsoever to Sade, but seems first to have been published at London c.
