Fugitive Atlas by Khaled Mattawa

An Ocean of Books is not the first interactive map which has tried to arrange the world's literature based on machine learning algorithms. The item may be missing the original packaging such as the original box or bag or tags or in the original packaging but not sealed. Against this background that an interactive prototype of a »Literary Atlas of Europe« is currently under development at the Institute of Cartography and Geoinformation, ETH Zurich.

The Atlas of Literature

I think you can see how diverse the content is. Is it real or imagined? I noticed a few typographic errors and several homonyms throughout.

Meridian: A Literary Atlas of DKU — Austin Woerner's Memory Palace

Bear with me: I know this introduction sounds as if I were lauding some ponderous academic tome that would bore any casual reader to death, but do not be fooled, this book is actually a pleasant surprise and an entertaining read from cover to cover despite its informative nature. Of particular interest is the acknowledgement of mixed-media authors — so in this latter chapter, we have a map illustrating theatres and writers such as Kingsley Amis, Alan Ayckbourn and Liz Lohead. Each map is accompanied by commentary on the.
