### Kampos, Messenia

Very good restaurants are on the beach such as Chester's on the beach where you can eat great burgers, Angelos and The Blue Bucket with great Greek cuisine, or pizzeria there are couple of them

### Visit Kampos: 2021 Travel Guide for Kampos, Ikaria

KAMPOS KAMPOS is an Italian luxury brand that believes in creating a world with integrity and conscience now and for future generations.

### Bottle of the Kampos Style (Getty Museum)

Like earlier Cycladic pottery, terracotta vases of this period were decorated with geometric designs incised into the vessel's surface that were filled with a white chalky substance to contrast with the darker surface of the pottery. They call these horses the Tellina, after the sunrise tellin shells their coats resemble.
