## Guided reading

Government pressure to participate in a religious activity is an obvious indication that the government is endorsing or promoting religion. The principal chose the religious participant, here a rabbi, and that choice is also attributable to the State. Level 5 Learning Intention We are learning to read with phrasing and fluency.

## the Grammar of Schooling: Individually Guided Education, by Pyeong

By these lights one easily sees that, in sponsoring the graduation prayers at issue here, the State has crossed the line from permissible accommodation to unconstitutional establishment.
