The Controversy over the Kahului Airport 7.

Fragile Paradise

Text will be unmarked and pages crisp.

Fragile Paradise: The Impact Of Tourism On Maui, 1959

He illuminates the collision between social and economic forces that are now engulfing the world, not as some abstraction, but as a day-to-day series of choices confronting real people.

of Landscapes of Leisure: Building an Urban History of by J. Mark Souther

The Question of Electric Power -- 6. He examines issues surrounding land-use policies, water development, electrical power generation, and transportation—particularly the controversy over the expansion of the Kahului Airport.

Fragile Paradise: The Impact of Tourism on Maui, 1959

By switching the island's income base from sugar cane to condos, tourism has offered a solution to economic problems but has also placed an

unanticipated strain on Maui's infrastructure and made unexpected demands of its residents. Very minimal wear and tear. He examines issues surrounding land-use policies, water development, electrical power generation, and transportation—particularly the controversy over the expansion of the Kahului Airport.

FRAGILE PARADISE: IMPACT OF TOURISM ON MAUI, 1959

He then shows how these issues came together in the development of two communities: the booming resort area of South Maui and the agricultural Upcountry Maui. See the seller's listing for full details.
