Discuss the implications for bottle feeding and breast-feeding a baby with a unilateral cleft lip. Mandy and James had attended prenatal classes and had a natural childbirth. She calls the office today and reports that she has a temperature of 102.

## Essentials of Maternity, Newborn, and Women's Health

Hopefully, the author will release a newer version of this book with less grammatical errors and a better index. The changes that a woman's body goes through during the birth process is astronomical.
