What Is My Passion?

Too often we strive to be cool, detached, and clinical in our dealings with other people. In the book, Getting There, Matthew Weiner said he had a passion to be a writer, but his work was rejected so many times, he nearly gave up. So you may as well continue with your passion projects at the same time.

The following results were noted. What changes is not the tedious task, but how you relate to it.

Passion without Performing in Person

Is funny how, sometimes you can find the answer for some kind of problem in your head totally by accident.

10 Things That Truly Passionate People Do Differently

In June 2008, Tabitha mentions the fourth hour of Today being a ratings-grabber, poking fun as to how they canceled the soap making way for this fourth hour trying to bring the ratings on NBC up. You have to say no to people, projects, and most of your own ideas. Passion is what motivates you, whether your motivations are spiritual, artistic, political, economic, social, or personal.

What Is My Passion?

Similarly, in the August 10, 2006 episode, Theresa commented that her office was not like an NBC daytime serial, and that she would not hire somebody just because he looked like Jesse Metcalfe who had portrayed her brother Miguel from 1999 to 2004. It is your unique lens on the world that shapes not only who you are, but who you connect with and what opportunities you pursue. Below is a short video I recorded about this: 12.
