The Conservatives' Guide To Justifying Discrimination Against LGBT People

In most cases involving complaints about racial discrimination in the United States, explicit discrimination is expressed through verbal and nonverbal antagonism and through racial avoidance and denial of certain opportunities because of race. New lawsuits from the Equal Employment Opportunity Commission EEOC — such as the recent covered by the mainstream media — may have you asking: What are some things that my managers can do to avoid them? Educate Senior Leadership Both the board of directors and the senior leadership team must understand the legal issues associated with gender discrimination see sidebar. This is an important but often missed topic in EEO training for managers.

Religion The law says: Unfair treatment of a job applicant or employee because of their religious beliefs is illegal. Religious observances are defined broadly as well, and include, for example, attending worship services, praying, wearing religious clothing or symbols, displaying religious objects, adhering to certain dietary rules, proselytizing or other forms of religious expression, or refraining from certain activities. In addition, many states have their own laws requiring employers to provide breaks for nursing women, some of which offer greater protections to new mothers.

What Is LGBTQ Discrimination?

In most cases, people do not get to the later steps without receiving support for their behavior in the earlier ones.
