Readings in Classical Chinese Philosophy (Second Edition)

And books are served in appropriate length.

Readings in Classical Chinese Philosophy by Philip J. Ivanhoe

Nobody spends the time to think about what it is to be right, virtuous, or just anymore. One must not only act, but also reflect on why one acts and be motivated by the correct virtues, so as to act correctly.

Readings in Classical Chinese Philosophy (Second Edition)

. To construct a mountain is to construct the highest possible landmass. This volume helps contextualize the texts with footnotes that explain historical references and where the philosophers agreed and disagreed.

9780872207806: Readings in Classical Chinese Philosophy

I highly recommend this book, it gives you insight in their writing styles, in their What a lovely compilation.

Hence, in this key passage, he reflects from an ethical perspective on precisely his everyday conduct. This new edition offers expanded selections from the works of Kongzi Confucius , Mengzi Mencius , Zhuangzi Chuang Tzu , and Xunzi Hsun Tzu ; two new works, the dialogues Robber Zhi and White Horse; a concise general Introduction; brief introductions to, and selective bibliographies for, each work; and four appendices that shed light on important figures, periods, texts, and terms in Chinese thought.

Readings in Classical Chinese Philosophy (Second Edition)

And books are served in appropriate length. Consider the perspectives of the sages and see how you can implement their teachings. Yes, it's incomplete, but do you really want to read those seven books completely? It was nice having the whole collection in one book, it made it easier to compare and contrast the different schools of thought.

Readings in Classical Chinese Philosophy (Second Edition)

I'm continually struck by the parallels between the dialectic amongst this group, and that which I am more familiar with, in Western philosophy. I read this for class and probably would not have picked it up otherwise, but if you want a refresher or introduction to these philosophers I think it's a good selection of works.
