## The Promised Land (TV Mini)

The plans that were being foisted on him as Kennedy's legacy had not been tried; they were mere academic speculations. The program has three parts: 1 Take me to Chicago; 2 A dream deferred; 3 Strong men keep a-comin' on. I did find it useful as I knew very little about the circumstances and conditions around the migration of southern blacks to the north and how they lived there.

**The promised land : the great Black migration and how it changed America · One Book. One Author. One Hour.**

Apparently they have worked quite well in areas where the original rules and goals were adhered to, i. It would be helpful to have this book updated. The best 500-word synopsis of TPL was written by Lemann himself, available , in which he rebuts , who was once Wilson's student and now teaches at Princeton.

Accessories such as CD, codes, toys, may not be included.

**The promised land : the great Black migration and how it changed America · One Book. One Author. One Hour.**

JFK tells Heller to look into new poverty program. The key trends that brought about the migration are the equally exploitative sharecropping that replaced slavery, the breakdown of the black nuclear family during sharecropping, continuing reliance on black labor for cotton farming which made segregation and subjugation of blacks so desirable to whites, World War II's demand for labor in northern factories that induced the great migration and whose end helped stop it , the invention of the fully mechanized Hopson cotton picker in 1944 in response to the outmigration of blacks, and the introduction of the minimum wage that put the nail in the coffin in the economics of low wage labor-based cotton farming. I think this seems like an excellent book - I just can't seem to finish it.

**The Promised Land by Nicholas Lemann: 9780679733478**

TPL received three prominent rave reviews from, and.

**The Promised Land: The Great Black Migration and How It Changed America**

Ironically, the Great Society mainly benefitted middle class blacks through hiring blacks to run the Great Society.

**The Promised Land: The Great Black Migration and How It Changed America by Nicholas Lemann**

Lemann focuses on three people from Clarksdale, Mississippi who moved to Chicago, so the book is narrower than its subtitle suggests. A good starting point for further study on affordable housing legislation and the roles of community action programs. May contain limited notes, underlining or highlighting that does affect the text.
