## Get Appointed

These included a decision to deny her the 2016 financial year bonus awarded to staff. This has been presented as additional evidence that the cycle was 49 years, and further that the cycles were being measured until the last Jubilee in the days of Ezekiel, when the stipulations of the Jubilee year, long neglected except in the counting of the priests, could no longer be observed because the people were captive in a foreign land. It argued that at no time during the trial was any evidence led that showed that MTN insisted that the Jubilee Mall store was subject to the agreement and none of the witnesses for Belet gave evidence that the parties had any verbal discussions or communications regarding a written variation of the agreement.
