According to the documents available in his time, the younger the prostitute, the less infected she was ibid.

Good bad girls : male writers' romanticization of prostitutes in the post war era

The works were selected both for their notoriety as popular literature in the post-war period, and for their focus on female Japanese prostitutes and comfort women.

Nihon josei aishi : yūjo, jorō, karayuki, ianfu no keifu / Kin Ichiben cho

In this context, set beside soldiers who had given their lives for the emperor and whose families deserved recognition and pensions, the ianfu were nothing but mercenary women who warranted only scorn and oblivion. A second look at the history is required in order to understand how the issue has been posed since the end of the war.
