. Despite the demand the want for the youth to conscript in the war effort in the valley areas meant that there was a shortage of workers to run the mines; this in turn saw the introduction of the , workers conscripted to work in the mines. An Act of 1555 required each landowner to produce a cart, horses or bullocks, and two men to work 4 days on roads.

## Labyrinth of Flames

Such massive constructions would have needed a large labour force — up to 200 men — suggestive of large communities nearby.

## **Studies in Welsh History: The Labyrinth of Flames : Work and Social Conflict in Early Industrial Merthyr (Hardcover)**

The industry was developed by English entrepreneurs and investors such as and largely based in the west of the county, where coal could be purchased cheaply and ores imported from, and later much further afield. Although work began in 1911, Smith and Brewer was not completed until 1927 due to the First World War. The red chevronels on a gold shield were the arms of the , while the roses recorded the shiring of Glamorgan by.

## Labyrinth of Flames

The legacy of the Marcher Lords left the area scattered with historic buildings including Norman castles, , churches and medieval monuments.

**public-docs.talentcoach.ir**

A history of Wales 1815—1906.
