This agenda is problematic when viewing his 'heroic' understanding of Etruscan origins, because Herodotus' stories tend to contribute to the national narrative rather than an intended historical record. We turned away to the left, under the rock cliff from whose summit the so-called palace goes up flush, the windows looking out on to the world.

The lower part of the wall is all a blue-green of sea with a silhouette surface that ripples all round the room. The woman this time is dark-haired, so she need not be a courtesan.

### Who were the Etruscans?The Secret of Civilization

The last of Lawrence's travel books, 'Etruscan Places' is an ephemeral and vivid account, replete with hauntingly evocative descriptions of the way of life of this once great civilisation.

## Etruscan Places: Travels Through Forgotten Italy: D. H. Lawrence: Tauris Parke

There's something infectious about Lawrence's almost naïve enthusiasm, and the power of his experiences in these tombs is palpable. But now the high place is forlorn, with a big, weary building like a governor's palace, or a bishop's palace, spreading on the crest behind the castle gate, and a

desolate sort of yard tilting below it, surrounded by ragged, ruinous enclosure. Instead, the tombs that date from 6th-5th century BC and 4th-2nd century BC were carved directly into the tuffaceous cliffside.
