**Holdings: Mircea Eliade's vision for a new humanism**

A historicist view denies existence of archaic man.

**Mircea Eliade's Vision for a New Humanism / Edition 1 by David Cave**

The influential scholar of religion Mircea Eliade envisioned a spiritually destitute modern culture coming into renewed meaning through the recovery of archetypal myths and symbols. But perhaps we need a longer, more intensive period of interpenetration of systematic theological study and religious historical studies.... It is an indispensable element of Eliade's analysis that any phenomenal entity could be apprehended as an hierophany with the appropriate preparation.

**Mircea Eliade's Vision for a New Humanism by John David Cave**

Theology of the Cross is a theology of Cosmic Tree, an ideogram in several cultures but particularly in Mesopotamia and Vedic Writings.

**Mircea Eliade's Vision for a New Humanism / Edition 1 by David Cave**

Altizer, for example, maintained boldly by stating, 'Throughout its history Christian theology has been thwarted from reaching its intrinsic goal by its bondage to a transcendent, a sovereign, and an impassive God'. Equally influential were scholars such as J. Access may be limited to ProQuest affiliated libraries.
