## The Ultimate Guide to the Greek Islands • Round the World in 30 Days

So check it out before you fly to Greece for some good deals. Considering the weather, June, July and September are good months to visit the Greek islands.

### A Greek person's guide to the Greek islands

You can always count on a labor strike every year on May 1st to commemorate May Day. My husband and I just returned from a 2-week trip around the Greek Islands.

### A Greek person's guide to the Greek islands

Plus, you will not need a car, and there will always be a local bus stop nearby. If you like using my site please share it with your friends on Facebook or whatever social media you use.

### A Greek person's guide to the Greek islands

Hotels on the Greek Islands: Our top destinations for the dream vacation Santorini: Vacation on the edge of the world The blissful Greek Island of needs no introduction. On our boat trip to Klefiko in Milos, the crew wore masks for the entire journey but passengers were able to remove them and enjoy the day. While is packed with ancient cities and less-visited regions that will surprise and reward the unhurried traveler.

### Matt Barrett's Guide to the Greek Islands, Athens and Mainland Greece

Villas and Houses I resisted for years but I could not fight it any longer and I hope my friends in the hotel business will forgive me but I have put together a page of Villas, Holiday Homes, Self-catering Apartments and Air BnB type accommodations.

### An Insider's Guide to the Greek Islands

In the bigger islands, even in the most remote settlements, you will have some options to eat, to stay, plus a mini-market.
