Kintsugi: The Philosophy Of Celebrating Damage

Kaishan Compressor designs sealing systems to assure a safe, reliable and efficient system

Kaidou Shun

The body and mind connection is linked through the type of food we eat, so when we fuel our bodies with a simple, healthy diet, our minds will benefit the same way.

Kintsugi: The Philosophy Of Celebrating Damage

Adversity is a collateral element of living. With that said, Kintsugi takes work and awareness in order for it to truly be healing.

Kaidou Shun

If the kaishakunin was in a standing stance, he will draw his sword slowly and silently as well. In his freshman year at PK Academy, he acquainted himself with who taught Shun about chuuunibyou.

Kintsugi: why you should embrace your imperfections the Japanese way

As a result, we are in full control of our material supply chain, product quality and component costs. The revitalised ceramic becomes a symbol of fragility, strength and beauty.

Jishuken 101

None of us gets through life unscathed and it is far less painful to display your scars than to continuously try to hide them. History Past Shun grew up as a nerd but decided to reinvent himself in high school.

Overview Like many TPS activities, Jishukan has both a learning goal and a productivity goal. He is physically very weak and is terrible at sports and physical activity in general. It helps construct a culture that identifies problems areas at the ground level and prepares a plan with a self analysis of the system
