## Kulak

The philosophical theory of communism that Marx developed with his colleague Friedrich Engels was based on what they believed was a scientific understanding of human history. Communism was decisively defeated in other states, including Malaya and Indonesia. For many years they fought the west in what is today called the Cold War.

## Kulak

He even purposely allowed famines where millions of poor people starved to death in order to break the will of the people and maintain total control.

## communism

Several of these thinkers advocated a form of government based on communist principles though the word communism itself was not used until the 1840s. For this reason, Russia's economic development fell far behind the rest of Europe.

## World War I: Russian Revolution

As the bourgeoisie continues to accumulate wealth by exploiting the proletariat, the disparity between the two classes increases, eventually making the condition of the proletariat so desperate that it must resort to violent revolution. The majority group was the Mensheviks, and the minority group the Bolsheviks, led by Vladimir Ilych Lenin.

## World War I: Russian Revolution

The soldiers wanted peace, but Russia's involvement in the First World War continued.

## Chinese Communist Party

In , the took place in 1919 when armed communists supported rioting workers, but the government put the rebellion down violently with the use of

a right-wing paramilitary group, the , with many noted German communists such as being killed. Under the leadership of in the Kremlin, the Comintern established fronts in many countries in the 1920s and after.
