## An Introduction To Squash

The court is an indoor, four-walled structure of concrete. JB: We have been trying a number of different ideas to keep players engaged.

## Balls: BetterSquash

These will be made of better materials and feature pro-level technology to help you really improve.

## Play Squash, Get Fit

Generally, they seem to appear similar but there are a few notable differences. These often feel more lightweight and are more easy to maneuver.

## interactiveSquash

Squash and all of U.
