## NO MATTER WHAT Lyrics

Whistle down the wind Let your voices carry Drown out all the rain Light a patch of darkness Treacherous and scary Howl at the stars Whisper when you're sleepy I'll be there to hold you I'll be there to stop The chills and all the weeping Make it clear and strong So the whole night long Every signal that you send Until the very end I will not abandon you my precious friend So try and stand the tide Then you'll raise a banner Send a flare up in the sky Try to burn a torch And try to build a bonfire Every signal that you send Until the very end I'm there So whistle down the wind For I have always been Right there Oh yeah.
